Sir:

In the matter of the above-identified application, applicants are submitting herewith a copy of a communication from a foreign patent office in a counterpart foreign application and copies of the documents listed in the attached form equivalent to Form PTO-1449 for the Examiner's consideration.

This Information Disclosure Statement is being submitted before the mailing date of a first office action on the merits. A courtesy copy of the communicated European Search Report issued on November 5, 2002, is submitted herewith.

To the extent the documents listed on the attached form equivalent to Form PTO-1449 are not in the English language, the requirement of 37 C.F.R. §1.98(a)(3) for a concise explanation of the relevance is satisfied by the following remarks:

As stated in the European Search report, European Application No. EP 0 917 988 A1 relies on U.S. Patent No. 6,356,645 B1 to Trenkle, and German Application DE 100 43 918 A1 is not translated into the English language. EP 0 717 575 B1 is discussed in the specification.

It is respectfully requested that this information disclosure statement be considered by the Examiner.

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 01-2135 (017.40183X00) and please credit any excess fees to such Deposit Account.

Respectfully submitted,

ANTONELLI, TERRY, STOUT & KRAUS, LLP
